**) Provides access to the online GD Assessment & Reporting System and basic technical support.

***) Option 2A provides access to the online GD Assessment & Reporting System; a 1½ -day audit and audit report with recommendations every 2 years. Every 4 years: on-site audit which may incur additional cost: auditor travel and subsistence cost, or additional audit days if 1½ day is not sufficient.

****) Option 2B: in addition to Option 2A: support by a Green Destinations expert (indicative amount, depending upon your needs; support options differ per country).

Option 3. GSTC Accredited Green Destinations Certification

Destinations aiming for GSTC-Accredited Certification pay the standard fees of Option 2B. They will be assigned a Green Destinations expert for coaching and support in the process of improvement towards certification. Certification requires an onsite audit of several days (2 to 5) every two years. Onsite audits are subject to additional payment of auditor fee, travel and subsistence cost.

Option 3 includes a certification procedure according to all GSTC-requirements; the option to use the GSTC logo; and inclusion in GSTC's global map of certified destinations. Certification fees are eligible for 25% discount once Full Certification is achieved.

******) Green Destinations Certification of Private destinations is not always possible according to GSTC-Accreditation rules. QualityCoast Certification is always possible, but this certification is not accredited by GSTC.*
